

**SECURITY MANAGER COMMONWEALTH GAMES - G4S/CWG/1267**

Mr Hement,

I am writing to you with regard to applying for the security manager position of which I found on the G4S website. Please find attached my CV.

I am interested in applying for the security manager position as I believe I have the necessary attributes, skills and experiences to successfully fulfil the position as you can see from my CV. In addition to this my work ethic and professionalism would compliment that of G4S.

I worked for G4S Secure Solutions during the London 2012 Olympics providing safety and security to spectators and athletes during the games. Prior to this, also with G4S Secure Solutions, I managed a guard force at the Olympic site conducting asset protection of the stadia. I also have experience in retail security working with Westgrove Group Ltd as a security officer at a large shopping centre. Before working in the security industry I was employed as a police officer with Humberside Police and as an authorised firearms officer with the Ministry of Defence Police.

Whilst working with G4S Secure Solutions I conducted daily liaison with the London Organising Committee and worked jointly with them in their operations centre. I also worked at Bronze Command level in conjunction with the police for managing incidents. For Westgrove Group Ltd I provided first line response to security and medical incidents. With Humberside Police I trained as a police response driver and conducted plain clothed surveillance operations. As an authorised firearms officer I conducted quick reaction force support at a nuclear establishment and escorted nuclear warheads in transit.

I am cleared to Government level SECRET and teach unarmed self defence.

I am available for interview with one days notice and not currently under an employment contract.

Regards

Richard Luscombe
